THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

22 October 1982

NOTE FOR THE DIRECTOR

SUBJECT: Narcotics

Attached is a package assembled by [redacted] on CIA activity against the narcotics target. You and I will be discussing the package next week. 25X1

The picture in the DDI is somewhat better. The Strategic Narcotics Branch is producing good quality analytical work in a fairly steady stream. I hope you have noticed that recently we have managed to get some pieces on Colombia into the NID and PDB.

The starting point for my efforts to sharpen CIA programs on narcotics is that money is not the answer. A lot can be done by getting more out of resources that are already deployed.
